

**News from Soha Housing  
28 March 2011**

John Howell MP spent Friday afternoon with Soha Housing residents at a tea party held in Benson Village Hall. The housing association laid on the event to thank tenants who had been involved in shaping services throughout the last year.

Mr Howell said: "I am glad I was able to thank those tenants who had helped the association develop its services. Good communication is essential and it was a pleasure to see it working here in both directions."
