Here's how to get help to move to somewhere smaller

As people grow older and their children leave home, we know it can be difficult to manage larger homes and gardens. Moving to a new home can reduce heating bills and leave you with a more manageable home or nearer to relatives.

Moving can be a big upheaval... we're here to help!

Soha Housing and South Oxfordshire District Council have teamed up to offer a package to help you move quickly and easily.

Who's eligible for the scheme?

Any Soha tenant who currently lives in family sized home and wishes to move somewhere smaller.

What does the scheme offer?

- Help to find somewhere smaller that you like.
- Help with the costs of moving.
- Practical help with moving such as arranging removal companies and carpet fitting.

How can I find out more?

- Contact us or fill in the tear-off slip at the end of this leaflet.
- We will make an appointment with you to discuss your needs.
- If you decide you don't want to move, don't worry, we will see if there are other ways we can help you to cope with staying in your current home.
