# How to rent a Garage

**We own nearly 2,000 garages in South Oxfordshire.**

## **How much will it cost?**

Prices range from approximately £5.10 a week for our Soha tenants and £9 a week for non-tenants. This payable by monthly Direct Debit. A guide to our prices is enclosed.

## **Who can rent one of our garages?**

You can rent one of our garages if you are over 18 years old. We normally deal with applications in the order that they are registered and in line with the priorities shown below.

### **Priorities**

Priority 1 = Our tenants and shared owners

Priority 2 = Our leaseholders

Priority 3 = Our tenants who want to have an extra garage

Priority 4 = Other local people

If you would like to apply for a garage, please fill in the application form, remove it from the leaflet and post it to us. You do not need a stamp.

## **Use of our garages**

We rent out garages to try to reduce parking problems. We prefer our garages to be used to store road worthy and insured cars. We reserve the right to refuse to rent a garage where it is not used for a car or we believe it may cause a nuisance or is a danger.
